

CELEBRATE NATIONAL RECOVERY MONTH

WITH

BY ADDING ORNAMENTS TO THE TREE OF HOPE

The pain of addiction to alcohol or other drugs affects almost every family in some way, but recovery from addiction is also experienced by many. NCADD's seventh annual Tree of Hope campaign is designed to raise the consciousness of our neighbors in Middlesex County to the fact that addiction is an illness from which many do recover, and to celebrate those recoveries.

A ceremony to re-dedicate the Tree of Hope at Crawford House, and recognize the facility, will be held September 16th starting at 5pm. Crawford House is being honored for providing a safe and nurturing recovery environment for women from Middlesex County and continuing to help them return to their communities as healthy, productive and happy individuals. Ornaments will be offered in advance for sale at \$5 each for silver, \$10 each for gold, and special engraved crystal ornaments at \$100 each. Each ornament will be personalized, as requested, to commemorate the recovery of a loved one, in the hope of recovery for a friend or family member, or to memorialize someone who did not have the opportunity to find recovery. Ornaments may also remain anonymous.

A moving and meaningful recognition ceremony will be held on September 16th. Members of the public are encouraged to participate in the ceremony, if they wish, by announcing the name of the person whose ornament they are dedicating, and hanging it on the tree that evening.

Use the form below to order ornaments for the special people in your life who should be remembered or celebrated with the Tree of Hope.
